*Working together for a better Arden Arcade Community since January 2003*

The Arden Arcade Community Alliance is a non-partisan, non-sectarian, non-political organization open to all Arden Arcade residents, business owners and operators, and representatives of community-based organizations and public agencies. Its mission is to promote a sense of community in Arden Arcade, undertake civic improvement activities, and provide a place to learn about projects and actions affecting Arden Arcade.

Arden Arcade Community Alliance
Quarterly Service Project

2007 EMANCIPATION NEEDED ITEMS
(items will go to San Juan School District aging out graduates)

Every year, approximately 300 to 600 youth emancipate from the Sacramento County Foster Care system. These youth are forced to begin a life of independence at such a young age of 18 or 19 years. With your help, we can make sure each youth emancipates with a care package or basket to help them in their transition. All items must be new. Please place a circle on the items you have donated and how many there are of each item. Items may be delivered to AACA meeting at Marconi Sheriff's Station at 2500 Marconi Ave. on May 8 or June 12 at 7pm. Please make sure you put your name, phone number and email address on the slip below for acknowledgements. Those interested in donating gently used furniture or household goods may contact Fran Myers with Casey Great Start Young Adult Program at 263-0570.
